JetBlue Promotes Dave Clark to Head of Revenue and Planning

JetBlue announced that it has named Dave Clark to head of revenue and planning. In his new role, Clark will oversee JetBlue's network strategy, operational planning and analysis, and sales and revenue management. In addition, he will oversee JetBlue's airline partnership portfolio – including the Northeast Alliance with American Airlines – as well as operational engineering and manpower planning. He will report to JetBlue President and Chief Operating Officer Joanna Geraghty.

Statement from IATA on 5G Rollout

IATA welcomed the decisions by ATT and Verizon to delay the rollout of C-band 5G near airports and thanks the Biden Administration for their continuous efforts to ensure that passenger and cargo operations are not disrupted. But the delay is only a temporary solution.
