## JetBlue Sales Team UK in the Spotlight!

US Embassy London - Independence Day Celebration. Celebratory event took place 23 June at Winfield House at the Regent's Park.

This incredible celebration, took place in London's second biggest garden (after Buckingham Palace), brought together music, food and fireworks. Amazing music bands including The Overtones, The Fellas, Dee provided the music on the main stage of their Independence Day festival. All provided incredible sets packed with American dance floor fillers, from artists from The Beach Boys, Whitney Houston to Taylor Swift. No one could resist joining the dance floor, even the US Marines!

### BAB's Transatlantic Growth Networking Reception

Maris from JetBlue Sales Team UK joined at the Transatlantic Growth (TAG) Networking Reception on 7 July. It was great to see new and old faces and hear stories of the continuing growth of transatlantic business and the ongoing strength of the relationship.

### Avis Budget Group - Henley Royal Regatta was hosted on 1st July.

JetBlue was delighted to partner up Avis Budget UK at the Henley Royal Regatta in July, where over 200 guests from across business travel industry were treated to a day of fine hospitality on the Thames river bank. Along with industry partners, Jetblue hosted a number of clients during The Thames River Cruise including great food and music, and of course the chance to watch some rowing!

The highlight of the day was raising over GBP 5k for the travel industry charity ABTA LifeLine; thank you to everyone for their most generous support.
