### JetBlue Grows at LaGuardia

On July 9th, JetBlue consolidated operations at New York LaGuardia and all flights now arrive and depart at Terminal B which recently completed a multi-billion dollar reconstruction to become a modern industry-leading facility, featuring many incredible lounges and concessions. In addition, JetBlue increased the frequency of the BOS-LGA service to 15 flights daily on peak, and travelers have access to an almost hourly schedule.

Several partners joined the JetBlue Sales Team as we toured the new Terminal B together.

### Seat Update for the Northeast Alliance

JetBlue and American Airlines have enhanced our seat map capability for passengers traveling on codeshare flights. Travelers may now view and confirm seats on JetBlue codeshare flights operated by American Airlines and vice versa. This compliments the enhancements we have made to streamline the check in process and provide access to confirmation #'s for both carriers in the GDS.
